## Our Mission

The mission of Samuéli Institute is to transform health care through the scientific exploration of healing.

## Our Vision

Our vision is a world in which healing processes are the formative concept for achieving and maintaining wellness and ameliorating chronic disease.

## Our Values

*Service to the public:* As a non-profit service organization, Samuéli Institute serves as a facilitator of research on healing, making discoveries, developing relationships, conducting research and building a rigorous science that results in shared knowledge, improved patient care and healthful living.

*Scientific exploration:* Samuéli Institute supports science grounded in observation, investigation and analysis and has the courage to ask challenging questions within a framework of systematic, high-quality research methods and the peer-review processes.

*Integrity in all we do:* Samuéli Institute acts with the highest respect for the public it serves by ensuring transparency, responsible management and ethical practices from bench to boardroom to bedside.
