

Pain and Depression: A Bio-Psychosocial Model

		<p>This issue contains several feature articles on pain and depression by Samuelli staff and investigators and also includes an interview conducted by Lenore Duensing with Dr Wayne Jonas, President and CEO of the Samuelli Institute around “Shifting the Health Care Paradigm.” This is not a production of the Samuelli Institute but of The Pain Practitioner journal. You may view the entire issue by <a href="#">clicking here</a><sup>1</sup>.</p>
